

A WASHTENAW FAN FAMILY FORUM

Breaking the Addiction Cycle

Dispelling the myths of intervention to begin the healing process

 **MONDAY, JUNE 8, 7PM - 8:30 PM**

 ****ONLINE FORUM****

https://zoom.us | Meeting ID: **85177546295**

Getting our loved ones help with addiction and mental health issues is critical. However, we don't always know how and when to talk to them and what to say.

Pam Feinberg-Rivkin RN, Founder & CEO of Feinberg Consulting and Steve Feldman, COO and Trained Interventionist, will discuss how to approach loved ones who are struggling with substance use and or mental health.

This interactive workshop will present valuable information on intervention and a live intervention with actors will be facilitated. Upon completion of the intervention, there will be an open discussion. Washtenaw FAN is pleased to have Feinberg Consulting present as they are committed to empowering families with the tools they need to help their loved ones.
