

# STRONGER TOGETHER

Family & Friends: An Addiction Support Group

## Your family member is leading a destructive life...

—but that doesn't mean your life has to be destroyed as well.

**Stronger Together** is an addiction support group for family and friends of people struggling with addiction. Participants can choose between an online discussion series or in-person meetings, both of which offer compassion, support, and healing to those who need it.

It also includes a unique 12-step recovery plan that can help you move from a life of despair to a life of hope and purpose.
